THE UNRECABLES TO START SKIING IN JANUARY

PRESIDENT'S MESSAGE MICHELLE MCCARTHY

Happy New Year! The 2023-24 snow riding season is in full swing, however, we need more snow on our SoCal mountains! Our first trip will be running this month. We are all eager to get back to the mountains. I am looking forward to meeting our new members as the season progresses.

We are grateful for our Board members who have been volunteering for years, and we are excited to work with the new volunteers who have stepped up into board positions this year.

Our amazing, phenomenal, wonder woman **Hannah** will be stepping down from her MANY years as Equipment Manager at the end of this season. We are looking for a volunteer to take on her role of loading, unloading, and over-seeing maintenance of our equipment at Mammoth. Please contact me if you are interested, and **Hannah** will start your training.

Please join us on our monthly Zoom calls on the second Tuesday

SEASON BEGINS IN JANUARY VICTOR CHAN

The 2023-24 season is getting off to a slow start with minimal snow at Mammoth. We had to cancel the November and December trips. Hopefully, January will bring lots of new snow for our January 19-21 trip. So far 16 of us are going and I'm confirming with a couple more. Since we had to cancel the instructor/volunteer trip, we plan to rotate shadows for the students and run some clinics over the weekend. I've been able to work with Central Reservations to book several condos for the upcoming season with the understanding that we can make changes later and receive credit towards future bookings. Condo prices seem to have stabilized so rates are the same as last year, \$90 per person per night and \$25 per night for kids up through high school age. As in the past, folks who end up being assigned to a couch or sofabed will receive a discounted rate. I plan to formalize that policy soon, including if someone would prefer to sleep on a couch for the discounted rate.

At our last Board meeting we decided to give credit for a future trip to the people who donated their condo fees to the club last February when the roads closed and despite trying for hours to get up to Mammoth, could not. I have contacted those who were affected to let them know.

Our 2024 trips schedule (and confirm by dates) are:
Feb 23-25 (Feb 2)
March 22-24 (March 1)
April 19-21 (March 29)
May 10-12 (April 19)
May 31-Jun 2 (May 10)

CENTURY CITY SKI CLUB DONATES TO THE UNRECABLES RICHARD OLMSTED

I had the distinct pleasure to attend the 'Pray for Snow' winter party of the Century City Ski Club on November 18th out in the hinterlands of Thousand Oaks. I was asked by the Board to attend on behalf of our club to accept a donation for The Unrecables. Who can say no to a hosted party of Mexican food, too many desserts, day drinking, and accepting money for The Unrecables? Not me.

Their club was begun back in 1972 as a social club able to bring like minded skiers to together for ski trips and social gatherings. Their membership has grown to nearly 250 members over the years. In addition to organized ski trips to Mammoth, they do trips to other North American ski areas and the occasional international destination. All trips are listed on the website. There is also water themed sports like water skiing, wakeboarding & kayaking.

Paula and I arrived fashionably L.A. late around 12:45pm and jumped

right into the burrito buffet. After a nice convo with Sherry, Dave, the trip director, and some other nice folks at our table I went to refill my wine glass and talk with club President **Kay Collins**. She thanked me for coming out and gave me a run-down of the club (see above). Afterwards, she introduced me to the group and presented me with their donation of \$715, half of what they raised through an IKON pass raffle. Kay shared that in addition to sports and social activities they incorporate various service activities to give back to the community. I was able to address the group, thank them for the donation and share what little I know about The Unrecables, our mission and the wide range of physical challenges we can address to get people on the snow.

I thank the Board for allowing me the privilege to represent the club with CCSC. Think snow! ♦

Richard

Let me know as soon as you can prior to the confirm dates if you need club accommodations so if I need to book additional condos we have more choices and can get better rates.

Thank you for your support. ♦

SIGRID CELEBRATES HER MAMMOTH FREEBEE SIGRID NOACK

As you see in the photos, even Mammoth Woolly helped with the celebration!

When the Unrecables December club trip was cancelled, Sigrid decided to drive up to Mammoth anyway. She had good reason and was quite anxious to pick up her new season pass. This was the huge day, that she had been waiting for! Sigrid has bought season passes for many, many years, the cost being up to \$1,000 in some years. But this was that very special year... FINALLY!

The year, that she was picking up her Mammoth FREEBIE Season Pass! It felt so wonderful skiing for free, finally...

But things changed quickly! No, the season pass is valid all 2023-24 ski season at Mammoth and other ski areas associated with Mammoth...

But at the end of ski day 2, after riding the brand new chair 16 on its opening day, Sigrid decided to ride that beautiful 6'er chair one more time, before heading back to her lodging. On the way to Canyon Lodge, it happened!

She heard and felt a snowboarder approaching from behind! While trying to evade him, he must have hit her skis, as somehow she crashed forward and downhill...

Sigrid spent 3 days in Mammoth Hospital with 3 fractures of her pelvis. No surgery, just rest and being as active as the pain allowed. Now with a walker and crutches, she is improving slowly, but definitely, surely... looking forward to spending many more serious skiing days at Mammoth later this season, making good use of that phenomenal Freebie Season Pass!

How many ski seasons before YOU are eligible for that Freebie Mammoth Season Pass? ♦

Sigrid

Move United Waiver & Release of Liability Agreement

Move United, and its affiliated Chapters ("Released Parties") are non-commercial, not for profit activity providers. The purpose of this Move United Waiver & Release of Liability Agreement is to exempt, waive, and relieve Released Parties from any and all liability for any harm, wrongful death, personal injury, property damage, claim or cause of action, including, but not limited to liability arising from the negligence of Released Parties. "Released Parties" include Move United, Disabled Sports USA Los Angeles - The Unrecables, and their affiliates, successors, predecessors, parents, subsidiaries, owners, representatives, administrators, directors, officers, agents, coaches, employees, contractors, assigns, and volunteers; other participants, sponsoring agencies, sponsors, and advertisers; and, if applicable, the owners, operators, and lessors of premises on which the activities or events take place.

In consideration of the undersigned Participant being allowed to participate in any way in Move United and/or Disabled Sports USA Los Angeles - The Unrecables related events and activities, the Undersigned ("Undersigned" means the Participant or the Participant's parent, legal guardian, or legal representative when the Participant is under the age of 18 or legally incapacitated) agrees and acknowledges as follows:

1. Risks of Activity. Participant will be taking part in activities that can be hazardous and involve the risk of physical injury and/or death. The activities are inherently dangerous and Undersigned fully realizes the dangers of participating in the activities. The dangers and risks of the activities include, but are not limited to the condition of the premises and equipment, and the acts, omissions, representations, carelessness, and negligence of the Released Parties. Recognizing the risks and dangers, the Undersigned voluntarily chooses for Participant to participate in the activities and expressly assumes all risks and dangers of the participation in the activity, whether or not described above, known or unknown, inherent, or otherwise.

2. Risks of Participation. The Undersigned recognizes and understands that while Released Parties have undertaken reasonable steps to lessen the risk of transmission of communicable diseases, including but not limited to, COVID-19, in connection with participation in the activities, the Released Parties are not responsible in any manner for any risks related to communicable diseases in connection with Participant's participation in the activities. Specifically, the Undersigned understands that COVID-19 is a highly contagious and dangerous disease, and that contact with the virus that causes COVID-19 may result in significant personal injury or death. The Undersigned is fully aware that participation in the activities carries with it certain inherent risks related to transmission of communicable diseases ("Inherent Risks") that cannot be eliminated regardless of the care taken to avoid such risks. Inherent Risks may include, but are not limited to, (1) the risk of coming into close contact with individuals or objects that may be carrying a communicable disease; (2) the risk of transmitting or contracting a communicable disease, directly or indirectly, to or from other individuals; and (3) injuries and complications ranging in severity from minor to catastrophic, including death, resulting directly or indirectly from communicable diseases or the treatment thereof. Further, the Undersigned understands that the risks of all communicable diseases are not fully understood, and that contact with, or transmission of, a communicable disease may result in risks to the Participant including but not limited to loss, personal injury, sickness, death, damage, and expense, the exact nature of which are not currently ascertainable, and all of which are to be considered Inherent Risks.

The Undersigned hereby voluntarily accepts and assumes all risk of loss, personal injury, sickness, death, damage, and expense for the Participant arising from such Inherent Risks. Furthermore, the Undersigned represents and warrants that Participant does not knowingly carry any communicable diseases that may be transmitted during participation in the activities.

3. Release and Indemnification. Undersigned (a) unconditionally releases, forever discharges, and agrees not to sue the Released Parties for any claims or causes of action for any liability or loss of any nature, including personal injury, death, and property damage, arising out of or relating to Participant's participation in any Move United/Disabled Sports USA Los Angeles - The Unrecables events or activities or the Participant's presence on or travel to the premises where such events or activities take place, including, but not limited to claims of negligence, breach of warranty, and/or breach of contract the Undersigned may or will have against the Released Parties; and (b) agrees to indemnify, defend, and hold harmless the Released Parties from and against any liability or damage of any kind and from any suits, claims, or demands, including legal fees and expenses whether or not in litigation, arising out of, or related to, Participant's participation in such events or activities or the Participant's presence on or travel to the premises where such events or activities take place.

4. Helmet Use. Undersigned agrees that Participant shall use a helmet when participating in the following activities: Alpine skiing, cycling, equestrian, ice hockey, outdoor rock climbing, snowboarding, white water kayaking, white water river rafting, and any other activity when directed by Released Parties. Undersigned understands that a helmet is in no way a guarantee of safety and that no helmet can protect the wearer against all foreseeable impacts to the head, and that the activities can expose the Participant to forces that exceed the limits of protection provided by a helmet. Undersigned agrees to assume full responsibility for complying with this paragraph and that Released Parties shall not be liable for any injury or damages resulting from Participant's failure to use a helmet.
